

# WELCOME TO OPUS

## WE TAKE GRILLING SERIOUSLY.

At Opus, we take pride in serving quality and sustainably sourced produce, prepared using simple methods to allow every ingredient to shine. Each dish is cooked over an open-flame grill using charcoals and Jarrah wood, to achieve the perfect char, and smoky, caramelised flavours.

Our premium steaks are handpicked and dry-aged in our custom designed dry-aging cabinet lined with Himalayan salt tiles to develop deeply flavoured and beautifully tender steaks and chops.

We are proud to be the first restaurant in Singapore to be certified and awarded the prestigious MSC ecolabel. Our chefs continue to advocate for this cause by working closely with sustainable seafood suppliers and support sustainable fishing practices.

We hope you enjoy your experience with us and look forward to welcoming you back soon.
